

Amber Hall, AIA

Candidate for AIA Virginia Treasurer

Valued Members,

It is my pleasure to approach the membership in seeking election to the office of AIA VA Treasurer. Since joining the AIA Virginia Board of Directors in 2022, I have played an active role – in strategic planning discussions, task forces, and engaging state-level initiatives. I am eager to further the mission and goals of our organization by serving as the Treasurer.

I am a Senior Project Manager for Design & Construction at William & Mary (since 2018), where I plan and execute multi-million-dollar capital construction projects. As a steward of state funds and major donor gifts, I understand the importance in transparency and fiscal responsibility, as well as strategic allocation of resources for future planning.

My commitment to our organization goes beyond serving on the board. I have worked alongside many of our members – previous experience includes board member to Central Virginia and Coastal Virginia AIA chapters, Emerging Leaders in Architecture alum, ELA Steering Committee, and various other state-level committees and task forces. I look forward to continuing to support AIA Virginia.

Thank you,

A handwritten signature in black ink that reads "A Hall". The signature is written in a cursive, flowing style.

Amber
